ABOUT PSS

Founded by Dr. Stanley Poulos and Dr. Yngvar Hvistendah in 2007 and joined by Dr. Trent Douglas in January 2020, Plastic Surgery Specialists better known as "PSS" is the innovative leader of aesthetic plastic surgery as well as medical spa treatments for patients all over Marin, Napa and Sonoma Counties.

The belief that every moment should be enjoyed to the fullest is engrained deep within our existence and we intentionally bring that joy and passion for life into every single patient interaction.

Our individualized and patient-centered approach is a fusion of our desire to truly connect with you, to understand your goals and to deliver superior outcomes that enhance your natural beauty. Our state-of-the-art clinic, on-site medspa and adjoining fully accredited surgical center feature the latest technology and are staffed by highly trained, experienced medical professionals.
